

Amigos de Jesús Ministry - Opportunities to support
Nonprofit serving Wimberley Valley since 2018

Amigos serves all under-resourced families in the Wimberley Valley through two primary programs:

- Bi-weekly "Mercado" -fully stocked food pantry
- AMP College and Career Readiness Program + Scholarships

Food Pantry Volunteer Opportunities: Our food pantry needs volunteers for 2.5-hour shifts on Wednesdays and Saturdays from 10:00 AM - 12:30 PM. As many of our clients are Spanish speakers, we welcome bilingual volunteers, but speaking Spanish is certainly not required—we welcome all who want to help.

Donation Needs: We gratefully accept canned or dry goods and snacks to share with our clients. We have a 24-hour pantry on our front porch for convenient drop-offs, or call Ann at 713-775-8022. Monetary donations are also welcome and can be made through our website or mailed to Amigos P.O. Box 106 Wimberley, TX. 78676 or use the QR code below.

AMP Support: We welcome prayers for all students who need guidance finding and financing their post-graduation pathway. We also invite professionals who would like to share their career journey with students—whether in traditional careers or skilled trades.

Get Involved: Thank you for considering supporting Amigos. For more information on volunteering or donating, visit our website at <https://www.texasamigos.org/> or email/call our Executive Director, Julie Teague, at amigoswimberley@gmail.com or 512-293-0189
